

4th letter to King Abdullah of Jordan

Saturday 30th January 2016

[Movenpick Hotel, Aqaba.](#)

Your Highness,

Once again I am in Aqaba, this time bringing teddy bears and balloons for the Syrian refugee children and writing a book on mental health and spirituality for SPCK. I leave on Wednesday morning back to Amman and on to London with Royal Jordanian Airlines.

Layali tells me that you are here in Aqaba, so I am making one more effort to reach you with the letters I have written to you over previous visits. It would be good to meet you; if not here this time, perhaps back in London – my contact details are shown above.

So, enclosed once more are copies of the words previously sent concerning your father, Jordan and other matters together with an information leaflet of [the little charity](#) I chair in the United Kingdom,

Yours sincerely,

Jamie Summers
