Ave Boris.

Iterum me. Gratissimum ad novam domum. Ego tibi scripsis sex abhinc annos re quadras pavimenti ubi eras Praetor Londinensis.

Meminisse semper quid facis pro fratribus et sororibus meis minimis, facis propter Deum.

Sit Britanniam florebit.

Omnis optime,

Jacobus Aestes

(Jamie Summers)

I am pleased to tell you that I got a reply to the above within a month from Ikram (Correspondence Officer at No.10) enclosing a stock thank you letter from Boris. Sadly both were in English!
